I and minor understand that in the event minor needs medical treatment while involved in and/or participating in activities as part of INDYCAR, LLC ("INDYCAR"), the health care providers giving that treatment will know confidential and protected health information about minor. I and minor also understand that there may be inquiries from the media or the public about minor's medical condition, and that it is in minor's best interests that any information that is publicly disclosed about minor's medical condition be accurate.
