### **IMPORTANT REMINDERS**

INDYCAR requires that Members subject to the pre-license testing requirement provide a negative/non-dilute result prior to participating in an event.

Members subject to the pre-license requirement should plan to test a minimum of **two weeks** prior to the first event they plan to participate, to allow for processing and results, and to avoid rush charges. Those that may test positive for a prohibited substance should contact the Medical Review Officer (MRO) and allow additional time for review. The MRO can be reached at [MRO@AukMed.net](mailto:MRO@AukMed.net)

Team Members must either submit payment at the time of testing, or the team must set up an account with AEGIS Sciences Corp. To set up or update an account, please contact Zach Baker with AEGIS at 1-800-533-7052 or [zach.baker@aegislabs.com](mailto:zach.baker@aegislabs.com)
